COURSE OVERVIEW

- Current sports medicine topics featuring evidence-based and cutting-edge diagnostic and treatment strategies for sports-related and musculoskeletal conditions with a special focus on the lower extremity and general primary care sports medicine topics
- Special COVID and Sports session including an update on testing, disease transmission, creating a safe environment for athletes, as well as cardiac and pulmonary complications in athletes who have COVID positive diagnoses
- Didactic and case presentations, interactive Q & A sessions and ultrasound demonstrations
- Faculty represent various fields of sports medicine including orthopedics, physical medicine and rehabilitation, radiology, cardiology, pulmonology, infectious disease and physical therapy

TARGET AUDIENCE

This course is designed for orthopedic surgeons, physiatrists, primary care physicians, physical therapists and athletic trainers.

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCM), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Mayo Clinic School of Continuous Professional Development uses multiple mailing lists and cannot always eliminate duplications. If you have received multiple brochures, please post or share them with interested colleagues.
